## The Blessed Trinity

By: Elizabeth Cascarelli  
A Jungle of Joys

St. Patrick's Day is coming soon,  
With luck for one and all,  
Pots of gold, and rainbows too,  
And shamrocks best of all!

But did you know these small green plants,  
Have a secret truly rare?  
About the Blessed Trinity,  
Look closely and they'll share!

Our Lord above is Three in One,  
We know this to be so,  
One beloved God to love,  
But three Persons for us, you know.

Each Person has a special gift,  
To share with humankind.  
To create, or save us from our sins,  
Or brighten up our minds.

The first Person, God the Father  
Created all we see.  
He gave His Son, Lord Jesus Christ  
To die for you and me.

The second Person, God the Son,  
Became a lowly man,  
To lead us to our Father dear,  
By teaching us His plan.

The third Person, God the Spirit,  
Gives us strength each day,  
To follow Christ and all His works,  
And helps us on our way.

So like a little shamrock's leaves,  
If you've noticed there are three—  
God is also three in one,  
One God, but persons three!

Fill your pot with gold coins!

I am lucky because....

Think of some of the things in your life that you are lucky to have.  
Write some of these things on the gold coins.  
Cut the coins out and stick them on the pot of gold.

There is a leprechaun on the loose and he is causing all kinds of mischief! As you walked in the classroom this morning, he ran past you and now you are the only person who can describe what he looks like!

Fill in the "Wanted Poster" with a good description of his appearance. Be sure to include many details such as his hair color, eye color, age, what he is wearing and anything else that will help others identify him. Then be sure to draw a picture of the sneaky leprechaun.

Before you begin, brainstorm some good descriptive words (adjectives) or phrases that describe your leprechaun.
